Provides that a project that is in response to an emergency or natural disaster in a political subdivision and is approved by the county council is not a controlled project for purposes of the referendum process. - 31 (5) years.
- 32 (b) This subsection does not apply to bonded indebtedness incurred
- 33 or leases executed for a capital project approved by a county board of
- 34 tax and capital projects review under IC 6-1.1-29.5 after December 31,
- 35 2008. A civil taxing unit must file a petition requesting approval from
- 36 the department of local government finance to incur bonded
- 37 indebtedness or execute a lease with an original term of at least five (5)
- 38 years not later than twenty-four (24) months after the first date of
- 39 publication of notice of a preliminary determination under

1 circumstances. A civil taxing unit must obtain approval from the  
2 department of local government finance before the civil taxing unit  
3 may:

- 4 (1) incur the bonded indebtedness; or
- 5 (2) enter into the lease.

6 Before January 1, 2009, the department of local government finance  
7 may seek recommendations from the local government tax control  
8 board established by section 11 of this chapter when determining  
9 whether to authorize incurring the bonded indebtedness or the  
10 execution of the lease.

11 (c) The department of local government finance shall render a  
12 decision within three (3) months after the date it receives a request for  
13 approval under subsection (b). However, the department of local  
14 government finance may extend this three (3) month period by an  
15 additional three (3) months if, at least ten (10) days before the end of  
16 the original three (3) month period, the department sends notice of the  
17 extension to the executive officer of the civil taxing unit. A civil taxing  
18 unit may petition for judicial review of the final determination of the  
19 department of local government finance under this section. The petition  
20 must be filed in the tax court not more than forty-five (45) days after  
21 the department enters its order under this section.

22 (d) A civil taxing unit does not need approval under subsection (b)  
23 to obtain temporary loans made in anticipation of and to be paid from  
24 current revenues of the civil taxing unit actually levied and in the  
25 course of collection for the fiscal year in which the loans are made.

26 (e) For purposes of computing the ad valorem property tax levy  
27 limits imposed on a civil taxing unit by section 3 of this chapter, the  
28 civil taxing unit's ad valorem property tax levy for a calendar year does  
29 not include that part of its levy that is committed to fund or pay bond  
30 indebtedness or lease rentals with an original term of five (5) years in  
31 subsection (a).

32 (f) A taxpayer may petition for judicial review of the final  
33 determination of the department of local government finance under this  
34 section. The petition must be filed in the tax court not more than thirty  
35 (30) days after the department enters its order under this section.

 4 the county voter registration office, deliver to the county voter

 11 forms requested by the owner or owners or the registered voter.  
 12 Each form must be accompanied by instructions detailing the  
 13 requirements that:
- 14 (A) the carrier and signers must be owners of real property or

- 16 (B) the carrier must be a signatory on at least one (1) petition;

- 21 Persons requesting forms may be required to identify themselves  
 22 as owners of real property or registered voters and may be

business days after receiving a petition forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(9) The county voter registration office shall not more than ten (10) business days after receiving the statement from the county auditor under subdivision (8) make the final determination of the number of petitioners that are registered voters in the political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own real property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within thirty-five (35) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of real property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

SECTION 15. IC 6-1.1-20-3.2, AS AMENDED BY P.L.219-2007, SECTION 61, AND AS AMENDED BY P.L.224-2007, SECTION 31, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 3.2. **(a) Except as provided in subsection (b), this section applies only to a controlled project for which the proper officers of a political subdivision make a preliminary determination before July 1, 2008, to issue bonds or enter into a lease.**

**(b) This section also applies to bonds or a lease that:**

**(1) will be used to finance a controlled project that is a project of a growing school corporation (as defined in section 3.6(h) of this chapter); and**

**(2) is not subject to approval in a local public question under section 3.6 of this chapter;**

**regardless of whether the preliminary determination to issue the bonds or enter into the lease for the controlled project is made before, on, or after July 1, 2008.**

**(c) If a sufficient petition requesting the application of a petition and remonstrance process has been filed as set forth in section 3.1 of this chapter, a political subdivision may not impose property taxes to pay debt service or lease rentals without completing the following**

A notice under this subdivision must include a statement that any owners of real property *within the political subdivision or registered voters residing* within the political subdivision who want to petition in favor of or remonstrate against the proposed debt service or lease payments must file petitions and remonstrances in compliance with subdivisions (2) through (4) not earlier than thirty (30) days or later than sixty (60) days after publication in accordance with IC 5-3-1.

(2) Not earlier than thirty (30) days or later than sixty (60) days after the notice under subdivision (1) is given:

(A) petitions (described in subdivision (3)) in favor of the bonds or lease; and

(B) remonstrances (described in subdivision (3)) against the bonds or lease;

may be filed by an owner or owners of real property *within the political subdivision or a registered voter residing* within the political subdivision. Each signature on a petition must be dated, and the date of signature may not be before the date on which the petition and remonstrance forms may be issued under subdivision (3). A petition described in clause (A) or a remonstrance described in clause (B) must be verified in compliance with subdivision (4) before the petition or remonstrance is filed with the county ~~auditor~~ *voter registration office* under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county ~~auditor~~, *voter registration office*, deliver to the county ~~auditor~~ *voter registration office* or the county ~~auditor's~~ *voter registration office's* designated printer the petition and remonstrance forms to be used solely in the petition and remonstrance process described in this section. ~~(b)~~ **(d)** The executive of a political subdivision may initiate the petition and remonstrance process under this chapter for a proposed controlled project that has been disapproved by the county board of tax and capital projects review by giving notice of the applicability of the petition and remonstrance process as provided in section ~~3.2(h)~~ **3.2(c)(1)** of this chapter not more than sixty (60) days after the county board of tax and capital projects review disapproves the proposed controlled project.

(A) one hundred (100) persons who are either owners of real property within the political subdivision or registered voters residing within the political subdivision; or

(B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. 1 signing a petition must indicate whether the person is signing  
 2 the petition as a registered voter within the political  
 3 subdivision or is signing the petition as the owner of real  
 4 property within the political subdivision. A person who signs  
 5 a petition as a registered voter must indicate the address at  
 6 which the person is registered to vote. A person who signs a  
 7 petition as a real property owner must indicate the address of  
 8 the real property owned by the person in the political  
 9 subdivision.

10 (6) Each petition must be verified under oath by at least one  
 11 (1) qualified petitioner in a manner prescribed by the state  
 12 board of accounts before the petition is filed with the county  
 13 voter registration office under subdivision (7).

14 (7) Each petition must be filed with the county voter  
 15 registration office not more than thirty (30) days after  
 16 publication under subdivision (2) of the notice of the  
 17 preliminary determination.

18 (8) The county voter registration office shall determine  
 19 whether each person who signed the petition is a registered  
 20 voter. The county voter registration office, not more than  
 21 fifteen (15) business days after receiving a petition, shall  
 22 forward a copy of the petition to the county auditor. Not more  
 23 than ten (10) business days after receiving the copy of the  
 24 petition, the county auditor shall provide to the county voter  
 25 registration office a statement verifying:

26 (A) whether a person who signed the petition as a  
 27 registered voter but is not a registered voter, as  
 28 determined by the county voter registration office, is the  
 29 owner of real property in the political subdivision; and

30 (B) whether a person who signed the petition as an owner  
 31 of real property within the political subdivision does in fact  
 32 own real property within the political subdivision.

33 (9) The county voter registration office, not more than ten  
 34 (10) business days after receiving the statement from the  
 35 county auditor under subdivision (8), shall make the final  
 36 determination of the number of petitioners that are registered  
 37 voters in the political subdivision and, based on the statement  
 38 provided by the county auditor, the number of petitioners that  
 39 own real property within the political subdivision. Whenever  
 40 the name of an individual who signs a petition form as a  
 41 registered voter contains a minor variation from the name of  
 42 the registered voter as set forth in the records of the county

voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular referendum process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the political subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within thirty-five (35) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting the referendum process. The certificate must state the number of petitioners that are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(11) If a sufficient petition requesting local public question process is not filed by owners of real property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of

**C

law relating to the bonds to be issued or lease to be entered into.

(c) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall provide to the county auditor:

- (1) a copy of the notice required by subsection (b)(2); and
- (2) any other information the county auditor requires to fulfill the county auditor's duties under section 3.6 of this chapter.

SECTION 18. IC 6-1.1-20-3.6 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 3.6. (a) This section applies only to a controlled project for which the proper officers of a political subdivision make a preliminary determination after June 30, 2008, to issue bonds or enter into a lease. However, this section does not apply to bonds issued by or a lease entered into by a growing school corporation (as defined in subsection (h)) for a controlled project if the county council of each county in which the growing school corporation is located has approved an appeal by the growing school corporation for the controlled project under subsection (h).

(b) If a sufficient petition requesting the application of the local public question process has been filed as set forth in section 3.5 of this chapter, a political subdivision may not impose property taxes to pay debt service or lease rentals unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

(c) The following question shall be submitted to the voters at the election conducted under this section:

"Shall \_\_\_\_\_ (insert the name of the political subdivision) issue bonds or enter into a lease to finance \_\_\_\_\_ (insert the description of the controlled project)?".

(d) The county auditor shall certify the public question described in subsection (c) under IC 3-10-9-3 to the county election board of each county in which the political subdivision is located. After the public question is certified, the public question shall be placed on the ballot at the next primary or general election in which all voters of the political subdivision are entitled to vote. However, if a primary or general election will not be held in the six (6) month period after the county auditor certifies the public question, the public question may be placed on the ballot at a special election to be held:

- (1) not earlier than ninety (90) days; and

**C  
O  
P  
Y**

(2) not later than one hundred twenty (120) days; after the public question is certified. The public question may be placed on the ballot at a special election only if the fiscal body of the political subdivision that wishes to issue the bonds or enter into the lease agrees to pay the costs of holding the special election. The county election board shall give notice under IC 5-3-1 of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

(e) The circuit court clerk shall certify the results of the public question to the following:

(1) The county auditor of each county in which the political subdivision is located.

(2) The department of local government finance.

(f) Subject to the requirements of IC 6-1.1-18.5-8 and IC 6-1.1-29.5, the political subdivision may issue the proposed bonds or enter into the proposed lease rental if a majority of the voters voting on the public question vote in favor of the public question.

(g) If a majority of the voters voting on the public question vote in opposition to the public question, both of the following apply:

(1) The political subdivision may not issue the proposed bonds or enter into the proposed lease rental.

(2) Another public question under this section on the same or a substantially similar project may not be submitted to the voters earlier than one (1) year after the date of the election.

(h) As used in this section, "growing school corporation" means a school corporation that for the most recently completed five (5) school years had an average increase of at least four percent (4%) in the school corporation's ADM (as defined in IC 20-18-2-2) during that five (5) year period. A growing school corporation may, before the growing school corporation makes a preliminary determination to issue bonds or enter into a lease that is otherwise subject to this section, file an appeal with the county council of each county in which the growing school corporation is located. A county council may approve the appeal only if the county council finds:

(1) that the bonds will be issued for or the lease will be entered into for a controlled project that is necessary to accommodate increased enrollment in the school corporation; or

(2) that delay in issuing the bonds or entering into the lease

C  
O  
P  
Y

will result in a significant shortage of classroom space within the school corporation.

If a county council approves the appeal, the issuance of the bonds or the entering into the lease is not subject to a public question under this section. A county council must approve or disapprove an appeal by a growing school corporation not more than forty-five (45) days after the appeal is filed with the county council. If a county council does not approve or disapprove an appeal by a growing school corporation not more than forty-five (45) days after the appeal is filed with the county council, the appeal is considered approved by the county council. In the case of an appeal by a growing school corporation that is located in more than one (1) county, an appeal is not considered approved unless the county council of each county in which the growing school corporation is located has approved the appeal.

(i) IC 3, to the extent not inconsistent with this section, applies to an election held under this section.

(j) A political subdivision may not artificially divide a capital project into multiple capital projects in order to avoid the requirements of this section and section 3.5 of this chapter.

SECTION 19. IC 6-1.1-20-9, AS AMENDED BY P.L.224-2007, SECTION 35, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 9. (a) When the proper officers of a political subdivision decide to issue bonds payable from property taxes to finance a public improvement, they shall adopt an ordinance or resolution which sets forth their determination to issue the bonds. Except as provided in subsection (b), the political subdivision may not advertise for or receive bids for the construction of the improvement until the expiration of the latter of: after either of the following:

(1) In the case of a proposed issue that is subject to section 3.1 of this chapter, the expiration of either:

(1) (A) the time period within which taxpayers may file a petition for review of or a remonstrance against the proposed issue; or

(2) (B) the time period during which a petition for review of the proposed issue is pending before the department of local government finance (before January 1, 2009) or the county board of tax and capital projects review (after December 31, 2008).

(2) In the case of a proposed issue that is subject to section 3.5 of this chapter, the proposed issue is approved in an election on a public question held under section 3.6 of this chapter.

(b) This subsection applies before January 1, 2009. When a petition for review of a proposed issue is pending before the department of local government finance, the department may order the political subdivision to advertise for and receive bids for the construction of the public improvement. When the department of local government finance issues such an order, the political subdivision shall file a bid report with the department within five (5) days after the bids are received, and the department shall render a final decision on the proposed issue within fifteen (15) days after it receives the bid report. Notwithstanding the provisions of this subsection, a political subdivision may not enter into a contract for the construction of a public improvement while a petition for review of the bond issue which is to finance the improvement is pending before the department of local government finance.

(c) This subsection applies after December 31, 2008. When a petition for review of a proposed issue is pending before the county board of tax and capital projects review, the board may order the political subdivision to advertise for and receive bids for the construction of the public improvement. When the county board of tax and capital projects review issues such an order, the political subdivision shall file a bid report with the board within five (5) days after the bids are received, and the board shall render a final decision on the proposed issue within fifteen (15) days after it receives the bid report. Notwithstanding the provisions of this subsection, a political subdivision may not enter into a contract for the construction of a public improvement while a petition for review of the bond issue that is to finance the improvement is pending before the county board of tax and capital projects review.

(a) This section applies only to a political subdivision that, after June 30, 2008, adopts an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease subject to sections 3.5 and 3.6 of this chapter.**

**(b) During the period beginning with the adoption of the ordinance or resolution and continuing through the day on which a local public question is submitted to the voters of the political subdivision under section 3.6 of this chapter, the political subdivision seeking to issue bonds or enter into a lease for the proposed controlled project may not promote a position on the local public question by doing any of the following:**

 5       that of the political subdivision.

6       (2) Making an expenditure of money from a fund controlled  
 7       by the political subdivision to promote a position on the local

28      (c) The staff and employees of a school corporation may not  
 29      personally identify a student as the child of a parent or guardian

 33      arrangement (whether formal or informal) with a school  
 34      corporation for the use of any of the school corporation's facilities  
 35      may not spend any money to promote a position on a local public

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the

 2 commission may establish fees and charges for the use of any project  
 3 and covenant with the owners of any bonds to set those fees and  
 4 charges at a rate sufficient to protect the interest of the owners of the  
 5 bonds. Any revenue bonds issued by the redevelopment commission  
 6 that are payable solely from revenues of the commission shall contain  
 7 a statement to that effect in the form of bond.

8 (p) If the total principal amount of bonds authorized by a resolution  
 9 of the redevelopment commission is equal to or greater than three  
 10 million dollars (\$3,000,000), the bonds may not be issued without the  
 11 approval, by resolution, of the legislative body of the unit.

19 (B) any economic development area within the jurisdiction of  
 20 the authority.

21 (9) Institute or defend in the name of the unit any civil action, but  
 22 all actions against the authority must be brought in the circuit or  
 23 superior court of the county where the authority is located.

 25 considered proper to protect and enforce the rights of and perform  
 26 the duties of the authority.

27 (11) Exercise the power of eminent domain in the name of and  
 28 within the corporate boundaries of the unit subject to the same

 30 of eminent domain by a redevelopment commission under  
 31 IC 36-7-14.

32 (12) Appoint an executive director, appraisers, real estate experts,  
 33 engineers, architects, surveyors, and attorneys.

34 (13) Appoint clerks, guards, laborers, and other employees the

(B) Any structure that enhances development or economic development.

(20) Contract for the construction, extension, or improvement of pedestrian skyways (as defined in IC 36-7-14-12.2(c)).

(21) Accept loans, grants, and other forms of financial assistance from, or contract with, the federal government, the state government, a municipal corporation, a special taxing district, a foundation, or any other source.

(d) An authority may designate all or a portion of an economic development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the establishment of an allocation area by a redevelopment commission. The allocation provision may modify the definition of "property taxes" under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of designated taxpayers in accordance with the procedures applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3 applies to such a modification. An allocation area established by an authority under this section is a special taxing district authorized by the

1 general assembly to enable the unit to provide special benefits to  
 2 taxpayers in the allocation area by promoting economic development  
 3 that is of public use and benefit. For allocation areas established for an  
 4 economic development area created under this section after June 30,  
 5 1997, and to the expanded portion of an allocation area for an  
 6 economic development area that was established before June 30, 1997,  
 7 and that is expanded under this section after June 30, 1997, the net  
 8 assessed value of property that is assessed as residential property under  
 9 the rules of the department of local government finance, as finally  
 10 determined for any assessment date, must be allocated. All of the  
 11 provisions of IC 36-7-14-39, IC 36-7-14-39.1, and IC 36-7-14-39.5  
 12 apply to an allocation area created under this section, except that the  
 13 authority shall be vested with the rights and duties of a commission as  
 14 referenced in those sections, and except that, notwithstanding  
 15 IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation  
 16 fund may be used by the authority only to do one (1) or more of the  
 17 following:

18 (1) Pay the principal of and interest and redemption premium on  
 19 any obligations incurred by the special taxing district or any other  
 20 entity for the purpose of financing or refinancing military base  
 21 reuse activities in or serving or benefiting that allocation area.

22 (2) Establish, augment, or restore the debt service reserve for  
 23 obligations payable solely or in part from allocated tax proceeds  
 24 in that allocation area or from other revenues of the authority  
 25 (including lease rental revenues).

26 (3) Make payments on leases payable solely or in part from  
 27 allocated tax proceeds in that allocation area.

28 (4) Reimburse any other governmental body for expenditures  
 29 made by it for local public improvements or structures in or  
 30 serving or benefiting that allocation area.

31 (5) Pay all or a portion of a property tax replacement credit to  
 32 taxpayers in an allocation area as determined by the authority.  
 33 This credit equals the amount determined under the following  
 34 STEPS for each taxpayer in a taxing district (as defined in  
 35 IC 6-1.1-1-20) that contains all or part of the allocation area:

36 STEP ONE: Determine that part of the sum of the amounts  
 37 under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2),  
 38 IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and  
 39 IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

40 STEP TWO: Divide:

41 (A) that part of each county's eligible property tax  
 42 replacement amount (as defined in IC 6-1.1-21-2) for that

C  
o  
p

1 year as determined under IC 6-1.1-21-4 that is attributable  
 2 to the taxing district; by  
 3 (B) the STEP ONE sum.

4 STEP THREE: Multiply:

5 (A) the STEP TWO quotient; by  
 6 (B) the total amount of the taxpayer's taxes (as defined in  
 7 IC 6-1.1-21-2) levied in the taxing district that have been  
 8 allocated during that year to an allocation fund under this  
 9 section.

10 If not all the taxpayers in an allocation area receive the credit in  
 11 full, each taxpayer in the allocation area is entitled to receive the  
 12 same proportion of the credit. A taxpayer may not receive a credit  
 13 under this section and a credit under IC 36-7-14-39.5 in the same  
 14 year.

15 (6) Pay expenses incurred by the authority for local public  
 16 improvements or structures that are in the allocation area or  
 17 serving or benefiting the allocation area.

18 (7) Reimburse public and private entities for expenses incurred in  
 19 training employees of industrial facilities that are located:

20 (A) in the allocation area; and

21 (B) on a parcel of real property that has been classified as  
 22 industrial property under the rules of the department of local  
 23 government finance.

24 However, the total amount of money spent for this purpose in any  
 25 year may not exceed the total amount of money in the allocation  
 26 fund that is attributable to property taxes paid by the industrial  
 27 facilities described in clause (B). The reimbursements under this  
 28 subdivision must be made within three (3) years after the date on  
 29 which the investments that are the basis for the increment  
 30 financing are made. The allocation fund may not be used for  
 31 operating expenses of the authority.

32 (e) In addition to other methods of raising money for property  
 33 acquisition, redevelopment, or economic development activities in or  
 34 directly serving or ~~benefitting~~ **benefitting** an economic development  
 35 area created by an authority under this section, and in anticipation of  
 36 the taxes allocated under subsection (d), other revenues of the  
 37 authority, or any combination of these sources, the authority may, by  
 38 resolution, issue the bonds of the special taxing district in the name of  
 39 the unit. Bonds issued under this section may be issued in any amount  
 40 without limitation. The following apply if such a resolution is adopted:

41 (1) The authority shall certify a copy of the resolution authorizing  
 42 the bonds to the municipal or county fiscal officer, who shall then

prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(2) The bonds must be executed by the appropriate officer of the unit and attested by the unit's fiscal officer.

(3) The bonds are exempt from taxation for all purposes.

(4) Bonds issued under this section may be sold at public sale in accordance with IC 5-1-11 or at a negotiated sale.

(5) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the authority:

(A) from the tax proceeds allocated under subsection (d);

(B) from other revenues available to the authority; or

(C) from a combination of the methods stated in clauses (A) and (B).

(6) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(7) Laws relating to:

(A) the filing of petitions requesting the issuance of bonds; and

(B) the right of:

(i) taxpayers and voters to remonstrate against the issuance of bonds **under IC 6-1.1-20-3.1 and IC 6-1.1-20-3.2; or**

(ii) **voters to vote on the proposed issuance of bonds under IC 6-1.1-20-3.5 and IC 6-1.1-20-3.6;**

do not apply to bonds issued under this section.

(8) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(9) If bonds are issued under this chapter that are payable solely or in part from revenues to the authority from a project or projects, the authority may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority. The authority may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of

the bonds. Any revenue bonds issued by the authority that are payable solely from revenues of the authority shall contain a statement to that effect in the form of bond.

(f) Notwithstanding section 8(a) of this chapter, an ordinance adopted under ~~section 11~~ of this chapter may provide, or be amended to provide, that the board of directors of the authority shall be composed of not fewer than three (3) nor more than eleven (11) members, who must be residents of the unit appointed by the executive of the unit.

(g) The acquisition of real and personal property by an authority under this section is not subject to the provisions of IC 5-22, IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the purchase of property by public bodies or their agencies.

(h) An authority may negotiate for the sale, lease, or other disposition of real and personal property without complying with the provisions of IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other statute governing the disposition of public property.

(i) Notwithstanding any other law, utility services provided within an economic development area established under this section are subject to regulation by the appropriate regulatory agencies unless the utility service is provided by a utility that provides utility service solely within the geographic boundaries of an existing or a closed military installation, in which case the utility service is not subject to regulation for purposes of rate making, regulation, service delivery, or issuance of bonds or other forms of indebtedness. However, this exemption from regulation does not apply to utility service if the service is generated, treated, or produced outside the boundaries of the existing or closed military installation.

All bonds or obligations issued in violation of this subsection are void. The bonds are not obligations or indebtedness of the unit, but constitute an indebtedness of the district as a special taxing district. The bonds and interest are payable only out of a special tax levied upon all the property of the district as prescribed by this chapter. The bonds must recite the terms upon their face, together with the purposes for which they are issued.

(b) The total amount of any benefits that have been assessed by the board and confirmed against lots and parcels of land, exclusive of improvements, lying within two thousand (2,000) feet on either side of the land to be acquired or of the improvement, however, shall be deducted from the estimated cost.

(i) An action to question the validity of bonds of the district or to prevent their issue may not be brought after the date set for the sale of the bonds.

(j) The board may, instead of selling the bonds in series, sell the bonds to run for a period of five (5) years from the date of issue for the purposes of this chapter at any rate of interest payable semiannually, also exempt from taxation for all purposes. The board may sell bonds in series to refund the five (5) year bonds.

notice by publication of a public hearing to be held in the county by the board of commissioners. The hearing shall take place on a day not earlier than ten (10) days after the publication of the notice. The notice of the hearing shall be published one (1) time in a newspaper of general circulation printed in the English language and published in the county. The notice shall do the following:

- (1) Name the day, place, and hour of the hearing.
- (2) Set forth a brief summary of the principal terms of the lease agreed upon, including the character and location of the property to be leased, the lease rental to be paid, and the number of years the contract is to be in effect.
- (3) State a location where the proposed lease, drawings, plans, specifications, and estimates may be examined.

The proposed lease and the drawings, plans, specifications, and estimates of construction cost for the building shall be open to inspection by the public during the ten (10) day period and at the hearing. All interested persons shall have a right to be heard at the hearing on the necessity for the execution of the lease and whether the lease rental under the lease is fair and reasonable. The hearing may be adjourned to a later date with the place of the hearing fixed prior to adjournment. Following the hearing, the board of commissioners may either authorize the execution of the lease as originally agreed upon or may make modifications that are agreed upon by the authority, the board of trustees or board of managers of the hospital, and the county council. The authorization shall be by an order that is entered in the official records of the board of commissioners. The lease contract shall be executed on behalf of the county by the board of commissioners.

(b) If the execution of the lease as originally agreed upon or as modified by agreement is authorized, notice of the signing of the lease shall be given on behalf of the county by publication one (1) time in a newspaper of general circulation printed in the English language and published in the county. Except as provided in subsection (d), ten (10) or more taxpayers in the county whose tax rate will be affected by the proposed lease and who may be of the opinion that no necessity exists for the execution of the lease or that the lease rental under the lease is not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after publication of notice of the execution of the lease that sets forth the taxpayers' objections and facts supporting those objections. Upon the filing of a petition, the county auditor shall immediately certify a copy of the petition together with such other data as may be necessary in order to present the questions involved to the department of local government finance. Upon receipt

of the certified petition and information, the department of local government finance shall fix a time and place in the affected county for the hearing of the matter that is not less than five (5) or more than fifteen (15) days after receipt. Notice of the hearing shall be given by the department of local government finance to the board of county commissioners and to the first ten (10) taxpayer petitioners upon the petition by certified mail sent to the addresses listed on the petition at least five (5) days before the date of the hearing.

(c) No action to contest the validity of the lease or to enjoin the performance of any of the terms and conditions of the lease shall be instituted at any time later than thirty (30) days after publication of notice of the execution of the lease, or if an appeal has been taken to the department of local government finance, then within thirty (30) days after the decision of the department.

(d) The authority for taxpayers to object to a proposed lease under subsection (b) does not apply if the authority complies with the procedures for the issuance of bonds and other evidences of indebtedness described in ~~IC 6-1.1-20-3.1 and IC 6-1.1-20-3.2.~~

SECTION 12. IC 6-1.1-18-3, AS AMENDED BY P.L.224-2007, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 3. (a) Except as provided in subsection (b), the sum of all tax rates for all political subdivisions imposed on tangible property within a political subdivision may not exceed:

(b) The proper officers of a political subdivision shall fix tax rates which are sufficient to provide funds for the purposes itemized in this subsection. The portion of a tax rate fixed by a political subdivision shall not be considered in computing the tax rate limits prescribed in subsection (a) if that portion is to be used for one (1) of the following purposes:

- (1) To pay the principal or interest on a funding, refunding, or judgment funding obligation of the political subdivision.
- (2) To pay the principal or interest on an outstanding obligation issued by the political subdivision if notice of the sale of the obligation was published before March 9, 1937.
- (3) To pay the principal or interest upon:

(c) Except as otherwise provided in IC 6-1.1-19, IC 6-1.1-18.5, IC 20-45, or IC 20-46, a county board of tax adjustment (before January 1, 2009), a county board of tax and capital projects review (after December 31, 2008), a county auditor, or the department of local government finance may review the portion of a tax rate described in subsection (b) only to determine if it exceeds the portion actually needed to provide for one (1) of the purposes itemized in that subsection.

SECTION 13. IC 6-1.1-18.5-8, AS AMENDED BY P.L.224-2007, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 8. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit if the civil taxing unit is committed to levy the taxes to pay or fund either:

- (1) bonded indebtedness; or

(b) This subsection does not apply to bonded indebtedness incurred or leases executed for a capital project approved by a county board of tax and capital projects review under IC 6-1.1-29.5 after December 31, 2008. indebtedness or execute a lease with an original term of at least five (5) years not later than twenty-four (24) months after the first date of publication of notice of a preliminary determination under ~~IC 6-1.1-20-3.1(2)~~, **IC 6-1.1-20-3.1(c)(2) or IC 6-1.1-20-3.5(b)(2), whichever is applicable**, unless the civil taxing unit demonstrates that a longer period is reasonable in light of the civil taxing unit's facts and circumstances. A civil taxing unit must obtain approval from the department of local government finance before the civil taxing unit may:

- (1) incur the bonded indebtedness; or
- (2) enter into the lease.

Before January 1, 2009, the department of local government finance may seek recommendations from the local government tax control board established by section 11 of this chapter when determining whether to authorize incurring the bonded indebtedness or the execution of the lease.

(c) The department of local government finance shall render a decision within three (3) months after the date it receives a request for approval under subsection (b). However, the department of local government finance may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the civil taxing unit. A civil taxing unit may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under this section.

(d) A civil taxing unit does not need approval under subsection (b) to obtain temporary loans made in anticipation of and to be paid from current revenues of the civil taxing unit actually levied and in the course of collection for the fiscal year in which the loans are made.

(e) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a calendar year does not include that part of its levy that is committed to fund or pay bond indebtedness or lease rentals with an original term of five (5) years in subsection (a).

(f) A taxpayer may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this section.

(6) **A project that:**

residing within the political subdivision; or

(B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of real property or registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of real property or registered voters and may be allowed to pick up additional copies to distribute to other property owners or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of real property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as a real property owner must indicate the address of the real property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

county voter registration office shall not more than fifteen (15) business days after receiving a petition forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(9) The county voter registration office shall not more than ten (10) business days after receiving the statement from the county auditor under subdivision (8) make the final determination of the number of petitioners that are registered voters in the political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own real property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within thirty-five (35) days before an election, the county voter registration office may defer acting on the petition, and the

**C  
O  
P

time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of real property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

SECTION 17.   - (B) the number of registered voters in the political subdivision that signed a remonstrance and, based on the statement provided by the county auditor, the number of owners of real property within the political subdivision that signed a remonstrance.*

*Whenever the name of an individual who signs a petition or remonstrance as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition or remonstrance under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition or remonstrance only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section,*

*if a petition or remonstrance is presented to the county voter registration office within thirty-five (35) days before an election, the county voter registration office may defer acting on the petition or remonstrance, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.*

~~(5)~~ (7) The county ~~auditor~~ voter registration office must file a certificate and the petition or remonstrance with the body of the political subdivision charged with issuing bonds or entering into leases within ~~fifteen (15)~~ thirty-five (35) business days of the filing of a petition or remonstrance under subdivision (4), whichever applies, containing ten thousand (10,000) signatures or less. The county ~~auditor~~ voter registration office may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures up to a maximum of sixty (60) days. The certificate must state the number of petitioners and remonstrators that are owners of real property *within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.*

~~(6)~~ (8) If a greater number of *persons who are either owners of real property within the political subdivision or registered voters residing within the political subdivision* sign a remonstrance than the number that signed a petition, the bonds petitioned for may not be issued or the lease petitioned for may not be entered into. The proper officers of the political subdivision may not make a preliminary determination to issue bonds or enter into a lease for the controlled project defeated by the petition and remonstrance process under this section or any other controlled project that is not substantially different within one (1) year after the date of the county ~~auditor's~~ voter registration office's certificate under subdivision ~~(5)~~ (7). Withdrawal of a petition carries the same consequences as a defeat of the petition.

~~(7)~~ (9) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law (including section 5 of this chapter) relating to bonds or leases designed to protect owners of real property within the political subdivision from the imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the department of local government finance *if required by:*

(G) A statement of whether the school corporation expects to appeal for a new facility adjustment (as defined in IC 20-45-1-16) for an increased maximum permissible tuition support levy to pay any estimated costs described in clause (F).

(c) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall provide to the county auditor:

SECTION 20. IC 6-1.1-20-3.6 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 3.6. (a) This section applies only to a controlled project for which the proper officers of a political subdivision make a preliminary determination after June 30, 2008, to issue bonds or enter into a lease. However, this section does not apply to bonds issued by or a lease entered into by a growing school corporation (as defined in subsection (h)) for a controlled project if the county council of each county in which the growing school corporation is located has approved an appeal by the growing school corporation for the controlled project under subsection (h).

(b) A political subdivision may not impose property taxes to pay debt service or lease rentals unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

C  
O  
P

(d) The county auditor shall certify the public question described in subsection (c) under IC 3-10-9-3 to the county election board of each county in which the political subdivision is located. After the public question is certified, the public question shall be placed on the ballot at the next primary or general election in which all voters of the political subdivision are entitled to vote. However, if a primary or general election will not be held in the six (6) month period after the county auditor certifies the public question, the public question may be placed on the ballot at a special election to be held:

- (1) not earlier than ninety (90) days; and
- (2) not later than one hundred twenty (120) days;

after the public question is certified. The public question may be placed on the ballot at a special election only if the fiscal body of the political subdivision that wishes to issue the bonds or enter into the lease agrees to pay the costs of holding the special election. The county election board shall give notice under IC 5-3-1 of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

(e) The circuit court clerk shall certify the results of the public question to the following:

- (1) The county auditor of each county in which the political subdivision is located.
- (2) The department of local government finance.

(f) Subject to the requirements of IC 6-1.1-18.5-8 and IC 6-1.1-29.5, the political subdivision may issue the proposed bonds or enter into the proposed lease rental if a majority of the voters voting on the public question vote in favor of the public question.

(g) If a majority of the voters voting on the public question vote in opposition to the public question, both of the following apply:

- (1) The political subdivision may not issue the proposed bonds or enter into the proposed lease rental.
- (2) Another public question under this section on the same or a substantially similar project may not be submitted to the voters earlier than one (1) year after the date of the election.

(h) As used in this section, "growing school corporation" means a school corporation that for the most recently completed school year had an increase in the school corporation's ADM (as defined in IC 20-18-2-2) of at least four percent (4%), as compared to the

school year immediately preceding the most recently completed school year. A growing school corporation may, before the growing school corporation makes a preliminary determination to issue bonds or enter into a lease that is otherwise subject to this section, file an appeal with the county council of each county in which the growing school corporation is located. A county council may approve the appeal only if the county council finds:

- (1) that the bonds will be issued for or the lease will be entered into for a controlled project that is necessary to accommodate increased enrollment in the school corporation; or
- (2) that delay in issuing the bonds or entering into the lease will result in a significant shortage of classroom space within the school corporation.

If a county council approves the appeal, the issuance of the bonds or the entering into the lease is not subject to a public question under this section. A county council must approve or disapprove an appeal by a growing school corporation not more than forty-five (45) days after the appeal is filed with the county council. If a county council does not approve or disapprove an appeal by a growing school corporation not more than forty-five (45) days after the appeal is filed with the county council, the appeal is considered approved by the county council. In the case of an appeal by a growing school corporation that is located in more than one (1) county, an appeal is not considered approved unless the county council of each county in which the growing school corporation is located has approved the appeal.

(i) IC 3, to the extent not inconsistent with this section, applies to an election held under this section.

SECTION 21. IC 6-1.1-20-9, AS AMENDED BY P.L.224-2007, SECTION 35, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 9. combination of these sources, the redevelopment commission may, by resolution and subject to subsection (p), issue the bonds of the special taxing district in the name of the unit. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in connection with the acquisition and redevelopment of the property, including:

- (1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;

the bonds to the highest bidder, but may not sell them for less than ninety-seven percent (97%) of their par value. However, bonds payable solely or in part from tax proceeds allocated under section 39(b)(2) of this chapter, or other revenues of the district may be sold at a private negotiated sale.

(h) Except as provided in subsection (i), a redevelopment commission may not issue the bonds when the total issue, including bonds already issued and to be issued, exceeds two percent (2%) of the adjusted value of the taxable property in the special taxing district, as determined under IC 36-1-15.

(i) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the redevelopment commission:

- (1) from a special tax levied upon all of the property in the taxing district, as provided by section 27 of this chapter;
- (2) from the tax proceeds allocated under section 39(b)(2) of this chapter;
- (3) from other revenues available to the redevelopment commission; or

(j) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(k) All laws relating to the giving of notice of the issuance of bonds, the giving of notice of a hearing on the appropriation of the proceeds of the bonds, the right of taxpayers to appear and be heard on the proposed appropriation, and the approval of the appropriation by the department of local government finance apply to all bonds issued under this chapter that are payable from the special benefits tax levied pursuant to section 27 of this chapter or from taxes allocated under section 39 of this chapter.

(l) All laws relating to:

apply to bonds issued under this chapter, except for bonds payable solely from tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources.

(m) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(n) Any amount remaining in the debt service reserve after all of the bonds of the issue for which the debt service reserve was established have matured shall be deposited in the allocation fund established under section 39(b)(2) of this chapter.

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

(p) If the total principal amount of bonds authorized by a resolution of the redevelopment commission is equal to or greater than three million dollars (\$3,000,000), the bonds may not be issued without the approval, by resolution, of the legislative body of the unit.

(10) Use any legal or equitable remedy that is necessary or considered proper to protect and enforce the rights of and perform the duties of the authority.

(d) An authority may designate all or a portion of an economic development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the establishment of an allocation area by a redevelopment commission. (4) Reimburse any other governmental body for expenditures made by it for local public improvements or structures in or serving or benefiting that allocation area.

(5) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under IC 36-7-14-39.5 in the same year.

(6) Pay expenses incurred by the authority for local public improvements or structures that are in the allocation area or serving or benefiting the allocation area.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in clause (B). The reimbursements under this subdivision must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made. The allocation fund may not be used for operating expenses of the authority.

(e) In addition to other methods of raising money for property acquisition, redevelopment, or economic development activities in or directly serving or ~~benefitting~~ **benefitting** an economic development area created by an authority under this section, and in anticipation of the taxes allocated under subsection (d), other revenues of the authority, or any combination of these sources, the authority may, by resolution, issue the bonds of the special taxing district in the name of the unit. Bonds issued under this section may be issued in any amount without limitation. The following apply if such a resolution is adopted:

- (4) Bonds issued under this section may be sold at public sale in accordance with IC 5-1-11 or at a negotiated sale.
- (5) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the authority:
  - (A) from the tax proceeds allocated under subsection (d);
  - (B) from other revenues available to the authority; or
  - (C) from a combination of the methods stated in clauses (A) and (B).
- (6) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.
- (7) Laws relating to:

- (ii) voters to vote on the proposed issuance of bonds under IC 6-1.1-20-3.5 and IC 6-1.1-20-3.6;**

do not apply to bonds issued under this section.

(8) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(9) If bonds are issued under this chapter that are payable solely or in part from revenues to the authority from a project or projects, the authority may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority. The authority may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. However, this exemption from regulation does not apply to utility service if the service is generated, treated, or produced outside the boundaries of the existing or closed military installation.

The bonds may not exceed in amount the total cost of all land to be acquired and all improvements described in the resolution, including all expenses necessarily incurred in connection with the proceedings, together with a sum sufficient to pay the costs of supervision and inspection during the period of construction of a work. The expenses to be covered in the bond issue include all expenses of every kind actually incurred preliminary to acquiring the land and the construction of the work, such as the cost of the necessary record, engineering expenses, publication of notices, preparation of bonds, and other necessary expenses. If more than one (1) resolution or proceeding of the board under section 23 of this chapter is confirmed whereby different parcels of land are to be acquired, or more than one (1) contract for work is let by the board at approximately the same time, the cost involved under all of the resolutions and proceedings may be included in one (1) issue of bonds.

(b) The bonds may be issued in any denomination not less than one thousand dollars (\$1,000) each, in not less than five (5) nor more than forty (40) annual series. The bonds are payable one (1) series each year, beginning at a date after the receipt of taxes from a levy made for that purpose. The bonds are negotiable. The bonds may bear interest at any rate, payable semiannually. After adopting a resolution ordering bonds, the board shall certify a copy of the resolution to the unit's fiscal officer. The fiscal officer shall prepare the bonds, and the unit's executive shall execute them, attested by the fiscal officer.

(c) The bonds and the interest on them are exempt from taxation as prescribed by IC 6-8-5-1. Bonds issued under this section are subject to the provisions of IC 5-1 and IC 6-1.1-20 relating to:

- (1) the filing of a petition requesting the issuance of bonds;
- (2) the right of:
  - (A) taxpayers and voters to remonstrate against the issuance of bonds **in the case of a proposed bond issue described by IC 6-1.1-20-3.1(a); or**
  - (B) voters to vote on the issuance of bonds **in the case of a proposed bond issue described by IC 6-1.1-20-3.5(a);**
- (3) the appropriation of the proceeds of the bonds and approval by the department of local government finance; and

(4) the sale of bonds at public sale for not less than their par value.

(d) The board may not have bonds of the district issued under this section that are payable by special taxation when the total issue for that purpose, including the bonds already issued or to be issued, exceeds two percent (2%) of the adjusted value of the taxable property in the district as determined under IC 36-1-15. All bonds or obligations issued in violation of this subsection are void. The bonds are not obligations or indebtedness of the unit, but constitute an indebtedness of the district as a special taxing district. The bonds and interest are payable only out of a special tax levied upon all the property of the district as prescribed by this chapter. The bonds must recite the terms upon their face, together with the purposes for which they are issued.

SECTION 48. IC 36-10-4-35 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2008]: Sec. 35. (a) In order to pay for:

- (1) land to be acquired for any of the purposes of this chapter;
- (2) an improvement authorized by this chapter; or
- (3) both;

the board shall issue the bonds of the district in the name of the city in anticipation of the special benefits tax to be levied under this chapter. The amount of the bonds may not exceed the estimated cost of all land to be acquired and the estimated cost of all improvements provided in the resolution, including all expenses necessarily incurred in the proceedings and a sum sufficient to pay the estimated costs of supervision and inspection during the period of construction. Expenses include all expenses actually incurred preliminary to acquisition of the land and the construction work, such as the estimated cost of the necessary record, engineering expenses, publication of notices, preparation of bonds, and other expenses necessary to letting the contract and selling the bonds.

(b) The total amount of any benefits that have been assessed by the board and confirmed against lots and parcels of land, exclusive of improvements, lying within two thousand (2,000) feet on either side of the land to be acquired or of the improvement, however, shall be deducted from the estimated cost.

(c) If more than one (1) resolution or proceeding of the board under section 25 of this chapter is confirmed whereby different parcels of land are to be acquired or more than one (1) contract for work is let by the board at approximately the same time, the estimated cost involved under all of the resolutions and proceedings may be contained in one (1) issue of bonds.

**C

(d) The bonds shall be issued in any denomination up to five thousand dollars (\$5,000) each. The bonds are negotiable instruments and bear interest at a rate established by the board and approved by the city legislative body.

(e) After adopting a resolution ordering the bonds, the board shall certify a copy of the resolution to the fiscal officer of the city. The fiscal officer shall then prepare the bonds, which shall be executed by the city executive and attested by the fiscal officer. The bonds are exempt from taxation for all purposes and are subject to IC 6-1.1-20 concerning:

- (1) the filing of a petition requesting the issuance of bonds; and
- (2) the right of:
  - (A) taxpayers to remonstrate against the issuance of bonds **in the case of a proposed bond issue described by IC 6-1.1-20-3.1(a); or**
  - (B) voters to vote on the issuance of bonds **in the case of a proposed bond issue described by IC 6-1.1-20-3.5(a).**

(f) All bonds shall be sold at not less than par value plus accrued interest to date of delivery by the city fiscal officer to the highest bidder after giving notice of the sale of the bonds by publication in accordance with IC 5-3-1.

(g) The bonds are subject to approval by the city legislative body, in the manner it prescribes by ordinance or resolution.

(h) The bonds are not corporate obligations or indebtedness of the city, but are an indebtedness of the district as a special taxing district. The bonds and interest are payable only out of a special tax levied upon all property of the district. The bonds must recite these terms upon their face, together with the purposes for which they are issued.

(i) An action to question the validity of bonds of the district or to prevent their issue may not be brought after the date set for the sale of the bonds.

(j) The board may, instead of selling the bonds in series, sell the bonds to run for a period of five (5) years from the date of issue for the purposes of this chapter at any rate of interest payable semiannually, also exempt from taxation for all purposes. The board may sell bonds in series to refund the five (5) year bonds.

If more than one (1) resolution or proceeding of the legislative body under this chapter is confirmed whereby different parcels of land are to be acquired or more than one (1) contract for work is let by the executive at approximately the same time, the cost involved under all of the resolutions and proceedings may be included in one (1) issue of bonds.

(b) The bonds may be issued in any denomination not less than one thousand dollars (\$1,000) each, in not less than five (5) nor more than forty (40) annual series. The bonds are payable one (1) series each year, beginning at a date after the receipt of taxes from a levy made for that purpose. The bonds are negotiable. The fiscal officer shall prepare the bonds, and the executive shall execute the bonds, attested by the fiscal officer.

(c) The bonds and the interest on the bonds are exempt from taxation as prescribed by IC 6-8-5-1. Bonds issued under this section are subject to the provisions of IC 5-1 and IC 6-1.1-20 relating to:

- (1) the filing of a petition requesting the issuance of bonds;
- (2) the right of:
  - (A) taxpayers and voters to remonstrate against the issuance of bonds **in the case of a proposed bond issue described by IC 6-1.1-20-3.1(a); or**

The bonds and interest are payable only out of a special tax levied upon all the property of the district as prescribed by this chapter. A bond must recite the terms upon the face of the bond, together with the purposes for which the bond is issued.

(b) If the board desires to finance a capital improvement in whole or in part as provided in this section, it shall have prepared a resolution to be adopted by the county executive authorizing the issuance of general obligation bonds, or, if the authority was created under IC 18-7-18 (before its repeal on February 24, 1982), by the fiscal body of the city authorizing the issuance of general obligation bonds. Madam President: I move that Senate Bill 18 be amended to read as follows:

Page 15, between lines 16 and 17, begin a new line double block indented and insert:

**"(H) The political subdivision's current debt service levy and rate and the estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease."**

Page 24, between lines 35 and 36, begin a new line double block indented and insert:

**"(H) The political subdivision's current debt service levy and rate and the estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease."**

**(4) After notice is given, a petition requesting the application of the local public question process under section 3.6 of this chapter may be filed by the lesser of:**

**(A) one hundred (100) persons who are either owners of real property within the political subdivision or registered voters residing within the political subdivision; or**

**(B) five percent (5%) of the registered voters residing within the political subdivision.**

**(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:**

**(A) the carrier and signers must be owners of real property or registered voters;**

**(B) the carrier must be a signatory on at least one (1) petition;**

**(C) after the signatures have been collected, the carrier**

must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of real property or registered voters and may be allowed to pick up additional copies to distribute to other property owners or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of real property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as a real property owner must indicate the address of the real property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. The county voter registration office, not more than fifteen (15) business days after receiving a petition, shall forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(9) The county voter registration office, not more than ten (10) business days after receiving the statement from the county auditor under subdivision (8), shall make the final

determination of the number of petitioners that are registered voters in the political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own real property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular referendum process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the political subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within thirty-five (35) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting the referendum process. The certificate must state the number of petitioners that are owners of real property

within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

**(11) If a sufficient petition requesting local public question process is not filed by owners of real property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into."**
